

melamine & you

melbel®
●○● be cool, be chic

Small Entities, disegnata dal designer Marco Maggioni per Mebel, non è solo una collezione per la tavola, la casa e il bar. Non è solo l'esaltazione di una tecnologia produttiva innovativa, grazie alla quale la melamina viene trattata e resa perfetta nel croma e nelle forme, vetrificata ed esaltata nella sua purezza. Small Entities è un percorso in un mondo botanico parallelo, nel quale ogni suggestione, plasmata dall'immaginazione, consegna agli occhi la meraviglia della natura e alle mani oggetti da usare e contemplare come fossero forme di vita mai scoperte. Come se la natura si fosse dimenticata di pensare ciò che Small Entities ha creato.

Small Entities, created by designer Marco Maggioni for Mebel, is much more than a tableware, home and hospitality industry collection. It is not just the result of state-of-the-art pioneering manufacturing technology, thanks to which melamine has been treated and made perfect, acquiring a glass-like quality that brings to light its purity, while enhancing both color tones and shapes. Small Entities is a parallel botanic universe, in which influences, sculpted by our imagination, provide delight of nature's marvels for our eyes and objects to be used, touched with our hands and studied as if they were a new life form that has just been discovered. The creations in the Small Entities collection are those that nature has yet to create.

Small Entities, dessinée par le designer Marco Maggioni pour Mebel, n'est pas seulement une collection dédiée à la table, à la maison et au bar. Ce n'est pas uniquement l'exaltation d'une technologie de production innovante, grâce à laquelle la mélamine est traitée et perfectionnée dans sa couleur et ses formes, vitrifiée et exaltée dans sa pureté. Small Entities est un parcours dans un monde botanique parallèle, dans lequel chaque suggestion, modelée par l'imagination, livre à la vue la merveille de la nature et au toucher des objets à utiliser et à contempler comme s'il s'agissait de formes de vie jamais découvertes. Comme si la nature avait oublié de penser à ce que Small Entities a créé.

ENTITY 20

Set per finger food composto da piatto in melamina 100% e 5 bastoncini colorati in ABS

Finger food set composed by a 100% melamine tray and 5 coloured sticks in ABS

Set pour finger food composé par une assiette en mélamine 100% et 5 bâtonnets colorés en ABS

ENTITY 17

Set degustazione composto da vassoio rettangolare e 3 ciotole, in melamina 100%

Finger food set composed by a rectangular tray and 3 bowls, in 100% melamine

Set dégustation composé par un plateau rectangulaire et 3 bols, en mélamine 100%

ENTITY 19

Set degustazione composto da
vassoio quadrato e 2 ciotole, in
melammina 100%

Finger food set composed by
a square tray and 2 bowls, in
100% melamine

Set dégustation composé par
un plateau carré et 2 bols, en
mélamine 100%
